

CRANE ENGINEERING

Fluid Process Equipment | Service & Repair | Installation | Skid Systems | Valve Automation

PUMPS

Sanitary centrifugal, circumferential piston, rotary lobe, and twin screw pumps

Homogenizers, sanitary centrifugal, rotary lobe pumps

Sanitary air operated diaphragm pumps, drum and tote unloading pump systems

Sanitary progressive cavity, rotary lobe and heavy-duty peristaltic hose pumps

Flexible impeller pumps

High pressure central cleaning sanitation pumps

Fruit and vegetable transfer pumps, hot oil pumps

Sanitary drum pumps

Sanitary precision metering pumps

Multi-stage, general service and submersible centrifugal pumps

In-line vertical multi-stage and digital dosing pumps

Horizontal and vertical process pumps

Positive displacement gear pump

Air operated double diaphragm pumps

Submersible pumps

Self priming and submersible centrifugal pumps

High pressure reciprocating pumps

Multi-stage, general service and submersible centrifugal pumps

MECHANICAL SEALS

Mechanical seals, packing and seal support systems

Air purge seals for horizontal mixers, blenders, and screw conveyors

COUPLINGS

Rotating equipment couplings

AIR HANDLING

Liquid ring and rotary vane vacuum pumps, blowers, compressors, packaged systems

REPAIR PARTS

Repair parts available for most brands of pumps and valves

VALVES

Single seat valves, double seated mix proof and PMO valves with automation and control, over pressure and hygienic butterfly valves

Ball and butterfly valves; fittings for sanitary and pharmaceutical applications

Single seat valves, butterfly and check valves, valve repair components

Full line of sanitary ball, butterfly and check valves, relief and vacuum valves and other sanitary specialties

Sanitary diaphragm and plug valves, sampling valves and 3A pressure gauges

Industrial carbon and stainless steel and alloy ball valves for manual, automated and control applications

Two & three piece, full, reduced & multi-port design, flanged, threaded, socket weld for manual, on/off and control

ANSI Class high performance and resilient seated butterfly valves for a wide range of applications, manual or automated

Steam specialties; traps, strainers, separators, flash recovery, pressure and temperature control valves, steam motive pumps

A leading manufacturer of industrial thermoplastic valves and accessories

USA manufactured pinch valves, duckbill and wafer check valves, ISO rings and pressure sensors

ACTUATORS/AUTOMATION

Pneumatic rack & pinion, skotch yoke and electric actuators and accessories for valve and automation control

Electric On/Off, Modulating quarter turn actuators

Temperature sensors and assemblies including thermocouples, RTDs, PT100s, thermowells and accessories

3 & 4 way solenoid valves

SANITATION

CIP (clean in place) automated systems, COP (clean out of place) or manual cleaning systems, tunnel washers, cabinet washers

MIXERS

Shear blenders, solids/liquid blending systems

Top and side entry mixers

FILTERS

Manual clean sanitary filters and strainers

Mechanical self cleaning filters, manual clean strainers and bag filters

High capacity self-cleaning water filters

HEAT EXCHANGERS

Sanitary plate & frame heat exchangers

Sanitary plate and frame heat exchangers, replacement parts, and service
